BRIEF ABSTRACT OF LETTER.

Memorandum for the effect of a good
contract made inviting tenders for the
above Contract for a period of 5 years
from 1/7/11 and states that it is necessary
that there should be a fresh contract.

NOTES AND ORDERS.

The concern is in the hands of the
present Contractors from the year
1897. Their contract accepted
upon tender 1902 & fixed on 30/6/0.
Since then it is extended 3 years after

Serial
No.

Year in anticipation of
establishing Govt. warehouses
for want of accommodation
& funds to provide them. Such
warehouse could not be established
& they are not likely to be opened
in the near future. The G. S. C.
therefore proposes to
fix the next Contract for a
period of 5 years also with
a view to attract the outsiders
to take up the Contract. He
is also of the opinion that
this Contract should be
co-extensive with the ~~Manufacturing~~
Manufacturing Contract.
He proposes that the next
Manufacturing Contract
also will be for a period of
3 years. The present Contract
being for the same period from
1st July 1910. It is no doubt
essential that the two Contracts
(Manufacturing & Carrying)
should be in the hands of
different persons.

2. The G. S. C. has

	Serial No.	
		has fixed the date for opening the tender on the 10th April 1910. Perhaps he has fixed so near a date with a view to settle the contract before he goes on leave. The notice can come in only 3 issues of the Gazette. The only doubt is whether there is sufficient interval to give the notice sufficient publicity.
		3. The terms of the notice inviting tenders are in accordance with those of the notice issued in 1902 except for the omission of the last condition that the "tenders shall be opened by the Contractor in buildings as
Please enquire the reason for the omission	14/11	as specified by the Dy Commr of the District concerned." The omission has not been explained. Perhaps Govt. buildings are available for all the districts. Otherwise the condition is necessary.
		4. In the notice now issued by the Dy Commr no provision is made for the transport of Gauge to the several Districts.

Zalul. This seems to be due to
the Rice Commission having ruled
to grant a separate proposal
to secure a wholesale contractor
to import Rice from the
M. Provinces & supply it to the
Zalul treasuries in small
boxes. The proposal has not
obtained any definite shape.
All information has been called
for in the matter
ruled for orders.

From the Excise Com^r

No. 8111 of 10-4-11.

Forwards for perusal & return
the four tenders received by him, and
recommends that for reasons explained
the tender of Messrs Nettakallappa and
Thinnimaiya (whose rates are Rs 4-14-7 for
the Bangalore City & Rs 7-15-1 for the Mysore)
may be accepted.

✓

15 The financial result of accepting
each of the tenders as compared with the
existing rates is calculated in the statement
attached to the Excise Com^r's letter. It will
be seen that the tender no. 3 viz that of
Padmanabhaiah of Mysore leaves the largest
margin of profit, i.e. Rs 8750/-; next to this
is the tender no. 1 of Velu Mudaliar, which

Serial
No.

results in a profit of Rs 7183-5-4; then comes tender no. 4 of Nettiakallappa & Thimmanja which leaves a margin of only Rs 4791-10-8.

16

The Excise com^r recommends the acceptance of the last tender on the ground that "the men are reliable and the terms show approximately a profit of about Rs 5000/- per annum to Govt over the present rates". The other two are rejected by the Excise com^r as the tenderers are not well known whom as having any experience of the work or any other Abkari contract and as the rates offered being very low, it is found from the statistics available that the contract cannot be successfully worked at these rates. It may however be mentioned that Velu Mudaliar has stated in his tender that his father the late V. Arunachala Mud^r had the Distillery & the Carrying contract under the Govt for several years and that he himself had the management.

17

As regards the irregularity complained of by the Pet^r in sl. 3, it appears that there has been no such thing as under the notification inviting tenders, the rates offered by the tenderers are not required to be ~~to~~ announced publicly. Even if the usual practice were otherwise, in this case the announcement would not make any change

13/4/18 (1) The Excise Commr has
given what appear to be fair reasons
for accepting the tender of
Messrs Neltakallapa and Thimmaia. The
acceptance of their tender may perhaps
be approved.

(2) Mr Velu Mud^r, one of
the rejected bidders, has stated
that Messrs Neltakallapa and
Thimmaia have not done any business
connected with arack till now and
that the former is a native of Bellary.
The designation of both is given as
'Contractors' - apparently in Bangalore
City. The Excise Commr does not
state anything about their antecedents
except that in his opinion they are
men that may be relied on.

Petition of 14.4.11

States that he learns that the rates offered by him for the carrying contracts are much lower than those of the tender recommended for acceptance by the Excise Com^r, and that by accepting his rates there will be a profit of about Rs 20,000/- per year. Deep that, in view of this and also of his respectability and proper qualifications unknown to the Excise Com^r, his tender may be considered along with the others in disposing of the contracts.

The file on the subject is before the 1st Councillor. The present petition may be subd in continuation.

All the tenderers are respectable & wealthy men and such as can be depended on to carry out the Contract even if it means a loss to them.

1. V S Valoo wood is the son of the late Mr Sruvar Arnachellamood who was connected with arrack Contracts of former days. He is a wealthy & energetic man.

2. Tharigavallu wood is the son of Mr Meigandadeva wood. Kursumiah is the son ~~in law~~ of Mr Bappanna.

3. Padmanabha is the son of Sruvar Motherkhanu Thimmappa & brother of Anantha raoji of Mysore.

4. Ketta Kappa is the Bellary Sruvar who has taken today's Contract in Bangalore. Thimmappa is the son-in-law of Mr Bappanna.

It will be seen that all the tenderers are respectable people who may be expected to carry out their engagements.

25 I do not see any principle in showing a preference to No 4 Nethakkalappu & Thimmiah whose tender is not the lowest.

The lowest tender is that of Padmanabha.

26 The carrying Contract is a well established business carried on for a long number of years. The successful tenderer whoever he may be will simply continue the present carting arrangements and employ the present agency well trained in the work.

27 The gain to Government by accepting the several tenders would be as follows for 5 years.

1. Tenders are hereby invited for the exclusive privilege of establishing Bonded Depôts at the localities specified in Appendix A and transporting thereto arrack and other country spirits from the Bangalore Government Central Distillery *under bond*, and distributing the same to the respective arrack vend farmers and separate shopkeepers attached to the said Depôts and of carrying the requisite supplies of ganja to the Depôts for supply to the licensees of retail ganja shops, during the next five years beginning with 1st July 1902 and ending with 30th June 1907.
2. The privilege for which tenders are now invited will be conceded subject to the conditions specified in Appendices S (i) and S (ii) (hereto annexed), and to the Excise Laws and Rules now in force, or which may, from time to time, be passed by Government.
3. The quantity of arrack and other spirits conveyed from the Government Central Distillery to each Bonded Depôt and to each Farm Depôt, in the Bangalore District during the past years of the current contract period, is mentioned in Appendix A.
4. Tenderers must specify the lowest rate of remuneration per gallon of spirits to be carried from the Distillery, at which they would take up the contract. They must specify one rate for the Bangalore City Depôt and another rate for the Depôts in all Districts. The rates thus tendered, and accepted by Government, shall be the rates at which remuneration will be payable to the successful tenderer who shall be called "Government contractor for carriage of arrack and other country spirits to Bonded Depôts," during the currency of the contract granted under this Notification. (The rates at which remuneration is paid to the present contractor are five pies for the Bangalore City and 2½ annas for all the Districts except the Bangalore District.) The tenders will be opened by the Excise Commissioner at his office at 12 o'clock noon on the 31st March 1902 in the presence of such of the applicants as may be present. The final disposal of the tenders will rest, subject to the approval of Government, with the Excise Commissioner, who reserves to himself full power to reject any or all of the tenders without assigning any reason. The deposits made by the applicants whose tenders are rejected will be immediately returned to them by the Excise Commissioner.
6. The applicant whose tender may be accepted by the Excise Commissioner, shall, within eight days of the acceptance of his tender being communicated to him, deposit at the Huzur Treasury, Bangalore, a further sum in cash or in Government securities, duly endorsed in favor of the Dewan of Mysore for the time being, to make with the deposits previously made, a sum of Rs. 1,000 for the Bangalore City Depôt, and Rs. 6,000 for the aforesaid Mofusil Depôts, and shall execute an agreement in the prescribed appended form S. 7. No tender proposing any modification of any of the terms of this Notification will be considered.
8. The contract shall not be transferable except with the previous sanction of the Excise Commissioner subject to the approval of Government.
9. The Depôts shall be opened by the contractor in buildings approved by the Deputy Commissioner of the District concerned.

Sir,

I beg respectfully to submit, for your information and for favour of sanction as may be deemed necessary, a copy of a letter I have sent to the Excise Commissioner in Mysore - regarding the disposal of the ensuing arrack carting contract.

To

The Excise Commissioner in Mysore,

B A N G A L O R E.

Sir,

I beg respectfully to bring to your kind notice that the mode in which tenders for the ensuing arrack carting contract were dealt with yesterday is irregular and opposed to the usual practice inasmuch as the rates offered by the tenderers were not announced publicly to the tenderers and others that were present. The tenders were simply opened before them and taken to the office of the Excise Commissioner, and after a short time, the deposits of the tenderers whose tenders were apparently rejected, were then and there returned.

I venture therefore to request that fresh tenders may be called for in respect of the contract in question and disposed of in accordance with the rules and the usual practice.

A copy of this letter has been forwarded to the --- Dewan of Mysore and the Councillor in Charge for their information and for favour of any necessary action.

I beg to remain,

Sir,

Sir,

I beg most respectfully to bring to your kind notice and favourable consideration the following, and hope to meet with success.

I beg to state that I submitted my tender yesterday to the Excise Commissioner in Mysore, for arrack carting contract, to begin from 1st July next, for 5 years, in response to a call of tender from the Public.

My tender and tenders of others in all 4 were received by the Excise Commissioner, and after receiving these, we were asked to wait for a little time, saying that he would go through the tenders presented to him. After a short time the tenderers were called in, and my deposit and that of 2 others were returned saying that they were not accepted.

While outside, the tenderers in the course of conversation mutually revealed the rates; thereby I found that my rate of remuneration was the lowest at an average per 50 gallons as follow:-

Bangalore City Depot at Rs.1-4-0.

Mofussil Depots ... Rs.7-7-9.

To-day on enquiry I learnt that though my rate was the lowest, it was not accepted because the Excise Commissioner did not know me personally.

Here I beg to say also that in my tender-petition I have said that my father, the late Sowcar V. Aroonachalla Moodr., was doing the Distillery and arrack carting contract for several

P. T. O.

years before Messrs. A. Maigandadeva Moodr and Bajjanna. I was managing the work with my father. As to this fact I have requested for a reference to be made with the late Excise Commissioner P. N. Purniah Esq. Here I may be permitted to say that Mr. Bellary Nettakella whose tender has been recommended by the Excise Commissioner has no knowledge of carting arrack and establishing bonded Depots &c., and further a foreigner to the -- Mysore Province.

I beg therefore to request you will be pleased to call for all tenders from the Excise Commissioner's Office, and if you find at an average my rate to be the lowest that you will kindly sanction the work to me. If my tender is accepted I believe the Government might have a saving of about 15 to 20 thousand Rupees for the period of 5 years.

For which act of kindness I shall as in duty bound ever pray.

I beg to remain,

Sir,

Your most obedient servant,

T. S. Valas

2. I forward all of them for kind perusal and
return for being duly recorded in this ---

3. The rates offered in tenders No. 1 to No. 4 are Rs.1-4-0

and Rs.7-15-1 per 50 gallons for the Bangalore City and Mofussil --
Depots respectively and the present rate of contract is the same as
No.2, viz, Rs.1-4-10 and Rs.8-9-6.

4. Mr. Valoo Mudaliyar No.1 tenderer is not well known to me,
as having any experience of the work or any other Abkari contract.
Moreover the rates offered are very low and from the statistics --
available, it is found that the contract could not be successfully

depots in the Province for
5 years from 1st July 1911 to 30 June 1916

the tender No.3 of Mr. Padmanabhayya and I have, therefore, rejected them both. Of the remaining two tenders No.4 is the lower of the two, whereas the tenderers No.2 are the present contractors and their rates are the same as now exist.

5. From the enclosed statement, it will be seen that taking the average quantity carried to be 80,000 and 3,20,000 gallons respectively, the profit to Government by accepting tender No.4, will be as much as Rs.4791-10-8. ✓

6. My reasons for not accepting the tender of the present -- contractor No.2, are besides being higher than tender No.4, it is doubtful whether these young men, who have just entered into the world of business, can successfully cope with the heavy work required both by the manufacturing contract and this one. Moreover as was already stated in my letter No. 7335 dated 13.3.11 it is the intention to place the work of carrying in other hands than those of the manufacturers.

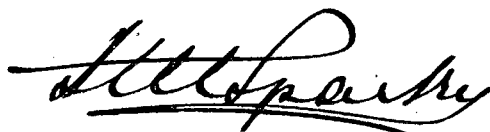

7. I have, therefore, to recommend that the tender of Messrs Nettakallappa and Thimmaiya may be accepted out of the four accompanying this letter.

8. The deposit amount of Rs.600/- of Messrs Nettakallappa and Thimmaiya are forwarded to the officer in charge of the Huzur Treasury to be held in deposit till such time as Government approve of the acceptance, and the other deposits are returned to the respective gentlemen.

Sir,

We respectfully beg to submit the following circumstances for your kind consideration with regard to the ensuing contract for the conveyance of arrack from the Government --- Central Distillery in Bangalore to the Depots in the Mysore State.

The tender which we submitted stands second being slightly lower than the highest tender and we understand that it has not received in your hands that recommendation which it merits as emanating from us who have succeeded the present contractors, ~~xxxx~~ a fact of which you may not be aware even at the rates at present offered, the work if faithfully carried out and without scope for frequent complaint is not likely to be of much financial advantage, but if Government find that the contract cannot be given at those rates we are prepared to take up the work at the rates offered by the highest tender.

We are the sons of the late Rao Bahadur A. Maigandadeva Mudaliar and Mr. Bajjanna have held the contract for this

EXPLANATORY NOTE.

1. This contract has been held by our fathers continuously and uninterruptedly for over a quarter of a century.

2. The contract was not much of a gain to them but they nevertheless worked it successfully and gave the Sirkar a --- complete satisfaction.

3. We two, (the sons of the deceased contractors) have had ample training and we know the work sufficiently well to be able to continue to give satisfaction.

4. Year after year the lease was been renewed to us unsolicited under the very moderate rates fixed by the authorities themselves.

5. This year there has been a departure and we naturally believed that, considering that the rates have so long been - what they are, no bonafide competitor at rates still further -- substantially reduced, would be forthcoming.

6. As events have proved, however, we who asked for the continuance of the existing rates, have unfortunately been found second best in this matter, the first having tendered for -- slightly lower rates. This we submit is an unwholesome competition not warranted by the Financial aspect of the question.

7. The rejection of our tender would mean not only a --- slur on our past and present management but also great hardship both to us and to the large establishment so long maintain-

maintained by us throughout the State.

8. Our fathers have only recently died after rendering the State services, which we respectfully submit, render their heirs deserving of some consideration at the hands of Government.

9. We are anxious that we should not be supplanted and set aside so soon after the sad bereavements we have sustained.

10. We are even prepared to accept the lower rates quoted by our rival, our object being not so much to make money out of this small concern as to secure the continuance to our ---- families of their very long connection with the business.

We beg to add that this unexpected and sudden stoppage of a business of 25 years duration involves serious loss of Prestige though the pecuniary loss attendant on it is infinitesimal.

OFFICE OF THE EXCISE COMMISSIONER IN MYSORE,

Excise Commissioner in Mysore.

To

C. S. Balasundram Iyer, Esq., B.A.,

Offg Secretary to the Government of

His Highness the Maharaja of Mysore,

General and Revenue Departments.

SIR,

Adverting to Government Order No. Fl.4834-43/S.R.203-08-7, dated 30th March 1910, sanctioning the extension of the Arrack Carry-ing Contract held by Messrs Bajjanna and Maigondadeva Mudaliyar, till the end of the year 1910-11 and subsequent order No. Fl.2565-74/S.R.203-18-2, dated the 18th November 1910, permitting the change in the name of the firm to Messrs A. Narainswamy Mudaliwar and Co.. I have the honor to state that the present arrack Carrying contract expires on the 30th June 1911, and to provide for the transport of arrack from 1st July next I beg to submit herewith a draft Notification calling for tenders for approval of Government and publication in three successive issues of the Mysore Gazette, and in all the local and Madras Newspapers.

2. As will be seen from the Notification, the tenure of the contract is fixed for a period of five years so as to be coterminous with the remaining two years of the present manufacturing contract, and the probable ^{tenure} of the next one for another period of three years. Besides, the working of the carrying contract entails a large outlay and unless a sufficiently long period is held out, there will be no attraction for good capitalists to compete. Moreover this concern was being given out quinquennially until 1907 when it was contemplated to introduce the Warehouse system and was therefore extended

year by year. Now seeing that it has not been possible to find funds for the construction of these Warehouses for the past three years, there is no probability of the system coming into force in the near future. I have, therefore, thought it advisable to have a quinquennial contract from the next official year, and meanwhile if the Government should be able to provide the necessary funds, the construction of the buildings may itself occupy the time now fixed, so that we may be able to bring the scheme into force from 1st July 1916.

3. The object of calling for tenders is obvious. It ^{not} only prevents the interest of the present contractors from becoming still more -- vested as they have been holding the contract from 1897 but also -- enables us to know if the rates now allowed are reasonable. The experience of the last few months points out that the present -- contractors are getting slack in the discharge of their work and it is, therefore, thought that new men ought to be induced to work the concern - to give due satisfaction. For more reasons than one, it is considered desirable, if possible, to separate the manufacturing and the transporting agency as the same firm are practically holding both the concerns at present.

4. Under the above circumstances I beg that Government will be pleased to pass early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

M. S. S. S. S.

Excise Commissioner.
